About SoCTA: SoCTA, is two year young International conference. The first and second conferences were organized at Amity University Rajasthan, Jaipur and Bundelkhand University Jhansi, Uttar Pradesh respectively. The objective of SoCTA 2018 is to provide a common platform to researchers, academicians, scientists and industrialists working in the area of soft computing to share and exchange their views and ideas on the theory and application of soft computing techniques in multi disciplinary areas.

Call for Papers

(but not limited to:)

- Evolutionary Computing
- Swarm Intelligence
- Artificial Immune Systems
- Fuzzy Sets
- Uncertainty Analysis
- Support Vector Machines
- Artificial Neural Networks
- Hybrid Intelligent Systems
- Nature Inspired Computing Techniques
- Machine Learning
- Ambient Intelligence
- Data Mining
- Web Mining
- Image Processing
- Computer Vision
- Bio-informatics
- Computational Electronics etc.

Proceedings

All accepted papers fulfilling Springer (AISC) requirements on quality will be published in the Springer (AISC), which is SCOPUS indexed. It is mandatory that at least one author registers for every paper that is included in the conference proceedings. All accepted papers presented at SoCTA2018 will be selected and recommended for possible publication in Journal Special Issues and Edited Volumes (indexed by SCOPUS, SCI etc).
